

Pack the **Adventure Mat** right next to the sleeping bags. This portable, ribbed dog bed is a must-have for adventuring dogs. Just fold and roll for a packable bed for dogs on the go. \$27, kakadupet.com

If your small pup can't keep up on hikes, simply strap on FouFou Dog's **Poochy Pouch**. The flat bottom means your dog can sit comfortably, padded straps keep your shoulders comfortable, and it folds up to a travel pack when not in use. \$40, foufoudog.com

We've all been there, admit it: out in the wilderness, far from home, with our faithful furry friend, and tragedy strikes. We're caught unprepared and embarrassed, without a **beer opener**. (What? Of course we packed the poop bags.) Now, thanks to the ingenuity of the kind folks at bark4beer, you'll never be caught unprepared again. \$20, bark4beer.com

Paul Frank, well-known for his cheeky, adorable monkeys, has finally extended his designs to dogs! This collar and leash comes in perfect colours for summer and is packed with quirky, silly personality. \$28/\$32, 26barsandaband.com

Great Gear

GROOVY GEAR FOR THE GREAT OUTDOORS

Dog on deck. Outfit your dog's bed with Jax and Bones' **Outdoor Bedding** for a durable, UV-protected resting spot that can withstand outdoor weather. \$168, jaxandbones.com

Ideal for hikes, bikes, and road trips, the durable and stylish **H2O4K9 water bottle** is made of toxin-free stainless steel and has a drinking lid designed just for dogs. \$20, H2O4K9.com

With rich, warm colours reflecting the **Australian Outback**, these sturdy collars are perfect for an afternoon at the dog beach. \$36, dishlickersdesign.com.au

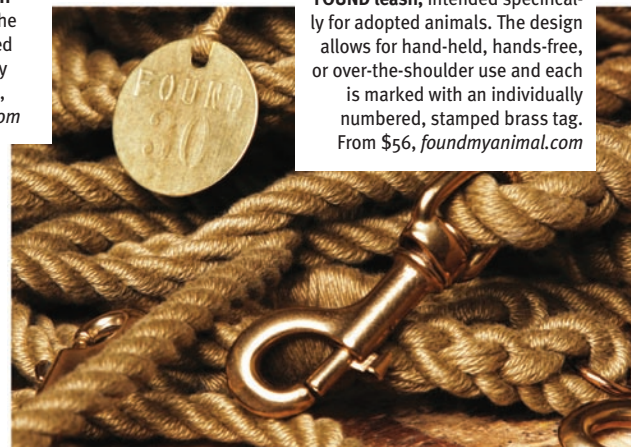

The ulti-mutt thirst quencher. The WaterDog Automatic Outdoor Pet Drinking Fountain turns itself on to deliver fresh water whenever your dog comes within three feet, and automatically turns off when he leaves. \$79, contech-inc.com

Soak the **Cool Vest** in water then wrap it around Rover for instant and long-lasting **cooling through evaporation**. Though the vest is wet, its laminated liner keeps your dog dry while he chills out. \$50, gramercydistribution.com

Editor's Pick Raise public awareness while supporting animal rescue (25% of all profits go to Louis Animal Foundation) with a very cool, **handcrafted natural rope FOUND leash**, intended specifically for adopted animals. The design allows for hand-held, hands-free, or over-the-shoulder use and each is marked with an individually numbered, stamped brass tag. From \$56, foundmyanimal.com

Meet your new best friend, the **Poo Boss K9 Utility Vest**. This dog vest is equipped with a waste bag dispenser and pocket for used ones, so your dog can do the dirty work. It also stores all your personal items and has a reflective stripe for nighttime visibility. \$25, pooboss.com
